# 2018 SENCO DAY

Tuesday, 13 March 2018

Morning Session

## Understanding Behaviour

“Understanding Behaviour” is a practical workshop providing information on understanding pupil behaviour and helping to identify why these behaviours may occur. This session provides the opportunity to discuss and reflect on current practice and to share practical positive strategies to help find solutions to improve the outcome of behavioural needs of the pupils in your setting. The course is aimed at staff working in Early Years Settings, Primary and Secondary Schools.
