<p>ECHP – Notice for Parents</p>	<p>The Hertfordshire SEND partnership are committed to improving the quality of EHCP’s for children and young people in Hertfordshire; ensuring plans are of high quality and meaningfully capture children and young people’s: views, experiences, needs and outcomes, and specify provision.</p> <p>To support with achieving this aim, there will be regular multi-agency audits of EHCP’s. These multi-agency audits involve professionals from education (school representatives, specialist advisory teachers, educational psychologists and members of the statutory SEND service), health, social care, SENDIASS and the Herts Parent Carer Involvement coming together to audit the quality of a random selection of EHCP’s. Professionals then work together to identify areas of good practice and areas where learning is required. These events are crucial for supporting improvements in practice across the system.</p> <p>This may therefore mean that your child’s plan could be selected for audit and shared with the above professionals for auditing purposes. All professionals involved in multi-agency audits of EHCPs are required to comply with Data Protection legislation and confidentiality duties, which restrict the sharing of information pertaining to your child's EHCP outside of the auditing activity.</p> <p>If you wish to opt out and do not wish for your child's EHCP to be included in our quality assurance audits, please email the Quality Assurance Service at: policyandpractice@hertfordshire.gov.uk</p>
