

Handling anger in your primary aged child with ASD or ADHD

Funded by HCC and FREE, this six session CANparent Quality Award evidence-based course is for parents living in Hertfordshire and parenting children from 2 to 11 years.

Facilitated by Lesley and Francine who are trained, qualified and experienced facilitators and parents too, with 20 + years personal and professional experience.

"I feel empowered by the tools we were shown on this course and was at a real loss as to how to help my families anger and didn't know what to do. Others judged our family but not judged at all here. Emotional intelligence makes so much more sense now and I love the gentle but firm ideas we learnt each week."

This course will enable you and your family to:

- ✓ Gain understanding of Autism and ADHD and how behaviours can be affected
- ✓ Attain awareness of a child's sensory world and the affect on behaviour
- ✓ Understand how anger and other emotions live in your family
- ✓ Increase your understanding of triggers that cause angry outbursts
- ✓ Learn healthy anger management strategies for children and parents to reduce angry outbursts
- ✓ Discover creative ways to support children to 'let go' of anger safely
