Woolgrove Outreach Current Provision Offer (DSPL1)

During this time, Woolgrove Outreach will continue to be available to offer support to schools and to parents. We will:

- Attend regular online DSPL1/SENCO meetings to keep updated and to offer support to schools
- Maintain regular contact with SENCOs to respond to queries and to offer support by email and phone for pupils on caseload
- Offer support via the school, for pupils that are not on caseload
- Support parents of pupils on caseload that have been signposted by SENCO via email and/or phone
- Respond to requests from professionals to support information gathering in response to EHCP queries and any other requests or queries
- Provide support to teachers in mainstream schools, sharing resources and suggesting strategies and activities for individual pupils.
- Keep mainstream schools updated on suggested resources and free online programmes and activities that may be useful
