Ambitious About Autism	<p>Join the Ambitious Youth Network (ambitiousaboutautism.org.uk)</p> <p>The Ambitious about Autism youth network is a fun and friendly space for autistic young people, between the ages of 16-25, to meet other autistic young people and be themselves. It offers them a safe and moderated online space to help them understand their autistic identity and reduce isolation and loneliness that many feel. Young people will be able to take part in peer support sessions which are held on Tuesday and Thursday evenings between 5:45-6:45 over Zoom. These sessions are a chance to meet new autistic young people across the country, share experiences and find volunteering, work experience and employment opportunities. Sessions are a safe environment where you can stay within your comfort zone, there is no pressure to turn on your camera or microphone. You can choose to participate or just observe.</p> <p>The sessions are led by Ambitious staff trained in safeguarding, who you may contact at any point if you are uncomfortable or feel unsafe. Every session has a different theme, past sessions have included arts and crafts, comedy night, DJ sessions, language lessons, and a monthly general knowledge quiz. Youth network members over the age of 18 also have a chance to instant message each other on the platform. To access the peer sessions, you will need to request to join the youth network.</p>	Autism / Youth
