Help us improve the process for Stage 1 SEND complaints (all ages)	Colleagues from our SEND Resolution Service (the team that manages complaints and appeals about EHCPs) would like to hold a parent carer experience group. If you are a parent carer who submitted a stage 1 complaint, which has since been closed in the last 3 months, the team would love to hear from you. A stage 1 complaint is the first stage of the formal complaint process. What will the group be like? The group will help the Resolution Service gain an understanding of your experience with the SEND service and how we can share this learning to the wider service to enable improvement and development, with a focus on seeking early resolutions for families. A member of the team will be there, and service managers from other teams may also attend, to hear feedback about other parts of the SEND system, too.	If you are interested and would like to find out more, please email sendstrategy@hertfordshire.gov.uk. We are holding the first session on Thursday 8th May, 10-11am, online. If you cannot make this date and time but would be interested in taking part in the future, please get in touch and we can contact you ahead of the next session.
